PROJECT NUMBER - 2020-1-DE02-KA227-ADU-008268

SUPPORTING, MOBILIZING & EMPOWERING
CREATIVE AND CULTURAL INDUSTRY
ENTREPRENEURS AND EDUCATORS
TOWARDS SOCIAL CHANGE

LET'S TALK ABOUT CREATIVITY!

Creativity is a key element to a satisfactory life, self-realization and a living culture.

The **CENTAUR Project** offers a freely accessible eLearning platform, which brings together artists, who can teach discovery and development of creative potentials, interested community members, and those active in adult education, who want to take up this offer.

We draw attention to the valuable role of artists in the community, especially during crises situations in society, and support creativity as a resource in difficult times.

CENTAUR

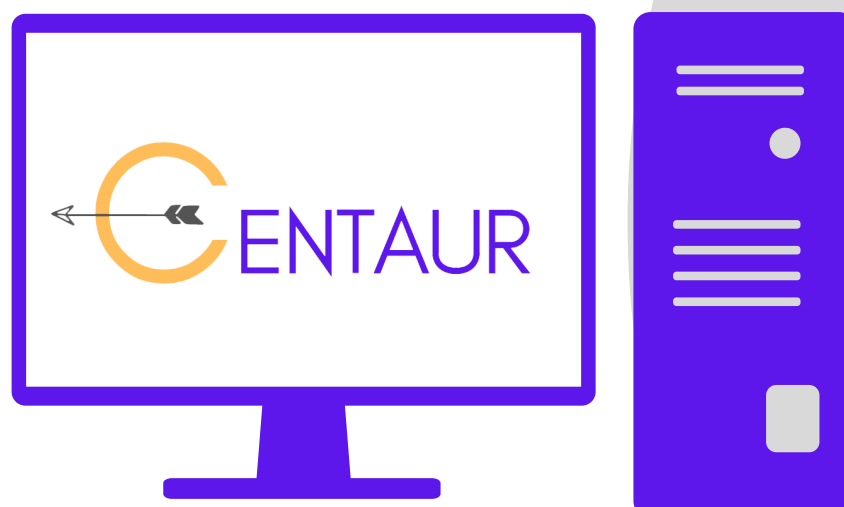

Supporting, Mobilizing, and Empowering Creative and Cultural Industry Entrepreneurs and Educators towards Social Change

The **CENTAUR Project** offers a database of exercises you can adapt to your own needs and either do at home or in workshops, either with or without trainers, a networking platform to find and contact artists who want to offer teaching and workshops, as well as a wealth of further helpful materials and tools.

The platform has been developed by a team of experts from five countries, and is available in all partner languages (**English, German, Greek and Icelandic**).

You can use the strategies and skills you learn in the project, in your private life and also in your work!

Visit the CENTAUR platform **HERE** <https://training.centaur-project.eu/> and start your journey!
