Transnational Project Meeting

On the 4th of October, all partners gathered in the picturesque city of Vienna for a pivotal project meeting. The focal point of our discussions was the remarkable completion of **Project Result 3 Youth Work and Youth Engagement**. With the project's profound impact on our minds, we collectively laid the foundation for the next crucial steps. The value of coming together in person was undeniable as we huddled to organize the remaining aspects of our venture. This meeting marked a significant milestone in our project's journey, and we are excited to move forward, ensuring that our efforts continue to make a positive impact.
